## Student company "Swixeli"

## Greece

We got to know each other better. We discussed problems with our company. We made a presentation about our company"SwixELI" and presented it.

Iceland

By engaging in intense discussions we managed to create our perspective of a good marketing model that didn't just prove to be succesful but also sustainable.

Latvia

We made our stand and decided on our companie's image.

	Logo	Stand
Marketing	SWixELI	SWIXELI
Observation	<ul> <li>• We had the chance to visit everything that comes with other countries and culture, starting from their food and traditions and ending with the unusal nature.</li> <li>• We met the best people and made friends.</li> <li>• We now have the basic skills to develop a company.</li> </ul>	It was a little hard just because the whole team wasn't togenther in one place.
