<p><b>Product description</b></p>		<p>Our product is a traveling pillow which is very comfortable and multifunctional for great sleep or rest anywhere.</p>
<p><b>Student company development</b></p>	<p style="text-align: center;"><b>Italy</b></p> 	<p>We made our company and started to think about the product we will be making.</p>
	<p style="text-align: center;"><b>Estonia</b></p> 	<p>We met each other for the second time and we were still thinking about what product we will produce. Then we came up to the best idea and we made the deals about what responsibilities everyone will have.</p>

## Greece

We thought about our logo, product's design and the points we need to work on. At the end we presented our product.

## Iceland

We thought about marketing and how we will represent our product.

## Latvia

We made our company's stand and did everything to be ready for the upcoming market.
